

# Be Part of All the Inspiring Possibilities for Blueberries

The North American Blueberry Council (NABC) is your direct connection to the blueberry industry. Recently reimagined and more member-driven than ever before, NABC is your single stop for blueberry industry networking, education and advocacy.

Becoming an NABC member gives you access to a long list of member-only benefits, including:

- ★ **Access to data and insights, including the weekly crop report, monthly cold storage report, annual NABC Stat Book and NABC Member Directory contact database.**
- ★ **Discounts on NABC events and meetings.**
- ★ **Advocacy on critical topics like immigration reform, trade negotiations and fair trade agreements.**
- ★ **Access to member-only professional learning and information like a monthly newsletter, news alerts and industry updates.**
- ★ **Connection to our passionate blueberry community.**
- ★ **Access to International Blueberry Organization (IBO) reports.**

Everything we do at NABC is strategic, laser focused and aligned with ensuring the long-term health and success of the blueberry industry, which is why you've got to be part of our dynamic community!

**Future proof your organization and the future of the blueberry industry!**
